#### 5. New business

##### 5a) Staff appreciation: February 10-14

In 2022 we spent \$500 on staff appreciation week. Multiple different treats were purchase and dropped off each day that week. **70 people on staff**

Ideas for treats that week:

- floats: cans of pop, large tubs of ice cream including dairy free
- chips (small individual bags)
- candy bags (individual bags pre-made or prepackaged items)
- cookies gf and vegan
- perishables at the beginning of the week so as to not end up with leftovers that will go bad over the break

Amber, Crystal and Alicia will purchase items and Alicia can deliver them to the school.

**5b) Mom's Pantry:** Tara thought the date had been set and suggested maybe it run before Easter. If we run it so the product is here by Easter that would mean a late March start of the fundraiser which will run for 2 weeks and then give it a few weeks for delivery. Tara is checking her notes to see if she wrote a date down.

#### Motions:

1. To spend up to \$100 on pizza lunch for winner of the NICU fundraiser: Alicia seconded by Amber

2. Motion to spend up to \$1,000 on staff appreciation week: Alicia seconded by Crystal

3. **Arcola school hosts a brail challenge:** Sask regional brail challenge via the brail institute.

Feb 12 2025 PSVI is providing a lunch and refreshments. PSVI would like support from SCC to help support the lunch or fund or donate prizes

10 students from Arcola, 15 students and 13 staff

We want to buy the movie gift cards from Costco. Tara will check if they would like money to buy lunch or would additional prizes be better.
